Intravenous Fluids and feeding Update

South Yorkshire BAPEN Regional teaching day

Doncaster Royal Infirmary Education Centre,
Armthorpe Road, Doncaster DN2 5LT

Friday March 13th 2015

This teaching day will include discussion of national and European guidance for delivery and monitoring of parenteral nutrition. It will also cover national guidance on delivery of intravenous fluids. It is a multi-professional teaching day aimed at all dietitians, nurses, doctors and pharmacists with an interest in safe delivery of fluids or parenteral nutrition.

The meeting will incorporate an LLL module from the European Society for Parenteral and Enteral Nutrition (ESPEN)'s Life Long Learning course.

CPD applied for.
