

What's New?

Highlights from the latest PENlines

Summer 2019

WELCOME

Welcome to this micro edition of e-PENlines, which is the PENG members newsletter. e-PENlines is a newsletter allowing members to be updated on various activities and initiatives in the nutrition support arena. e-PENlines allows sharing of best practice, opportunity to ask fellow members questions, topical updates, diary dates, PENG resource news, news from Committee Members and a variety of interviews and opinions through the Elevator Interview section. In this micro edition you can see what the current edition of e-PENlines contains, if you are a PENG member and as yet have not signed up to receive and/or would like to find out more about PENG and how to become a member - please go to: www.peng.org.uk and as a PENG member you can sign-up to receive e-PENlines via the members section of the website. I hope you enjoy the 'teaser' and if you would like to contribute to future editions please contact: peng@bda.uk.com

FEATURE Article

2019 PENG Clinical Update Course

In this issue's Feature Article, Alison Culkin details the highlights from the 2019 PENG Clinical Update Course, and the winners of the free places on the course share their experiences. PLUS, you can also find out how to WIN a place on the 2020 PENG Clinical Update Course.

PENG Study Day 2019

2nd October 2019

Book now as early bird registration is available until 16th August

www.peng.org.uk

PENG Pocket Guide to Clinical Nutrition

AVAILABLE TO ORDER SOON!

Including:

- A new evidence based approach to the estimation of energy requirements based on 5 systematic reviews.
- Critical appraisal of the current literature resulting in a new approach to the management of refeeding syndrome.
- Full revision of the nutritional assessment, access routes and monitoring sections.
- Full update of the critical care, renal and bariatric sections.

An essential part of a dietitian's toolkit. Complimentary copy for PENG members who are members in the 2017/18 membership year.

Hot TOPIC

UK Malnutrition Awareness Week (MAW)

With UK MAW 2019 only a couple of months away, the Hot Topic focuses on how you can get involved and what's planned for the week - UK MAW 14th-20th October 2019.

Other HIGHLIGHTS

- **Elevator Interview** – We meet Carla Phillips, Course Director for the Dietetics Programme at Coventry University, and Co-chair of the BDA Professional Practice and Education Board.
- **News** – Includes all the latest goings on from the nutrition arena.
- **BAPEN & Core Groups of BAPEN** – The latest news from BAPEN, BANS & MAG.
- **Diary Dates** – Details of all the events relevant to your practice.
- **Committee Feedback** – The 2019 programme for the PENG Study Day - 2nd October 2019 - is revealed.

Dietetics Outcomes Toolkit ('DOT')

'DOT' provides dietitians with a variety of approaches for measuring outcomes in dietetic care; vital to demonstrate the value and impact of dietetic services to commissioners and the wider health community.

Free copies of the Toolkit can be downloaded from the PENG website: www.peng.org.uk
