

What's New?

Highlights from the latest PENlines

Winter 2019

WELCOME

Welcome to this micro edition of e-PENlines, which is the PENG members newsletter. e-PENlines is a newsletter allowing members to be updated on various activities and initiatives in the nutrition support arena. e-PENlines allows sharing of best practice, opportunity to ask fellow members questions, topical updates, diary dates, PENG resource news, news from Committee Members and a variety of interviews and opinions through the Elevator Interview section. In this micro edition you can see what the current edition of e-PENlines contains, if you are a PENG member and as yet have not signed up to receive and/or would like to find out more about PENG and how to become a member - please go to: www.peng.org.uk and as a PENG member you can sign-up to receive e-PENlines via the members section of the website. I hope you enjoy the 'teaser' and if you would like to contribute to future editions please contact: peng@bda.uk.com

With best wishes for the the festive season,

Kate Hall, PENG Chair

FEATURE Article

What is the role of the Dietitian in parenteral nutrition?

In this issue's Feature Article, Alison Culkin shares the results of the PENG Survey which looked into the role of the dietitian in parenteral nutrition.

6th October 2020

SAVE THE DATE

www.peng.org.uk

PENG Pocket Guide to Clinical Nutrition

AVAILABLE TO ORDER

Including:

- A new evidence based approach to the estimation of energy requirements based on 5 systematic reviews.
- Critical appraisal of the current literature resulting in a new approach to the management of refeeding syndrome.
- Full revision of the nutritional assessment, access routes and monitoring sections.
- Full update of the critical care, renal and bariatric sections.

An essential part of a dietitian's toolkit.

Hot TOPIC

A Review of the PENG Annual HEF Study Day

Kate Dymond, Clinical Community Dietitian, Betsi Cadwaladr University Health Board, Wrexham, who was lucky enough to be offered a free space on the first PENG Annual HEF Study Day, shares the highlights.

Other HIGHLIGHTS

- **Elevator Interview** – We meet Karen Leek, Head of Business Support at the BDA.
- **News** – Includes all the latest goings on from the nutrition arena.
- **BAPEN & Core Groups of BAPEN** – BAPEN and the BPNG share details of their forthcoming meetings.
- **Diary Dates** – Details of all the events relevant to your practice.
- **Committee Feedback** – The Committee share details of what's coming up in 2020!

Dietetics Outcomes Toolkit ('DOT')

'DOT' provides dietitians with a variety of approaches for measuring outcomes in dietetic care; vital to demonstrate the value and impact of dietetic services to commissioners and the wider health community.

Free copies of the Toolkit can be downloaded from the PENG website: www.peng.org.uk
