

## PENG AWARD 2020

Recent COVID 19 events have been challenging on both a personal and professional level. We have all had to examine what we do and how we can do things differently to meet the needs of patients and the dietetic profession to deliver evidence based, patient centred, nutritional support. PENG and Critical Care Specialist (CCSG) Group of the BDA are collaborating to plan an event in March 2021 (COVID 19 permitting) to provide a platform for dietitians to share learning from recent times. **PENG** members are invited to submit abstracts of audit /research, service development and innovative practice in relation to recent COVID 19 events.

**\*Not a PENG member?** Please go to the PENG website [www.peng.org.uk](http://www.peng.org.uk) and join today.

### Supportive educational grant

Abbott , Fresenius Kabi and Nutricia Advanced Life Transforming Nutrition have very kindly offered to jointly provide SIX supportive educational grants of £250 to allow an exciting opportunity for 6 PENG members to enable them to present their work at the PENG /CCSG event March 2021.

### How to apply

Using guidance from the BDA

<https://www.bda.uk.com/uploads/assets/db946ae2-b02d-45ac-a8b1921b97eb322f/Write-a-conference-abstract2020.pdf>

Prepare an abstract on audit / research/ innovation/ service development on the topic of nutrition support in relation to COVID 19. To enter the PENG Award 2020 please submit your Abstract to [education.peng@bda.uk.com](mailto:education.peng@bda.uk.com) by **closing 9am Monday 30<sup>th</sup> November 2020**.

Abstracts for PENG Award will be judged by members of PENG and Industry representatives. The award winners will be announced in January 2021

**PENG mentoring scheme:** If you are unsure how to start writing an abstract, have a question about analysing your data or wish some peer support please contact [JJones@qmu.ac.uk](mailto:JJones@qmu.ac.uk) for further information.
